We'd like to formally nominate an affiliate of 7RIDGE Ltd to be added to the Super Validators group at the Tier 1 level. Specifically, they are a NewCo held by a 7RIDGE managed fund, the company name will be confirmed as part of their onboarding to the SV group. This CIP uses 7RIDGE as a place holder for the time being. The NewCo will have certain industry participants as LPs with which they will work to bring projects to Canton.

Please take a moment to vote on this addition to the SV group.

Thank you,

Chris

CIP-0019:

Summary:

- Add 7RIDGE as a T1 (weight 10) Super Validator.
- 7RIDGE is used as a place holder to represent the NewCo until the entity name is finalized.

Proposed Changes

- Add 7RIDGE to the SV weight pool
- Increase Foundation node weight to account for 7RIDGE
 - To meet the tight timelines, 7RIDGE will join the initial launch on the Foundation's multi-tenant node operated by IEU
 - As 7RIDGE is *not* going to be an SV operator on launch, they will have no direct governance votes until they operate their own SV
 - Foundation's minting weight will be bumped +10 to account for 7RIDGE
 - Weight 10 of the total Super Validator minting weight on the Foundation node will be designated to the 7RIDGE Validator
 - 7RIDGE will take over operations of their own SV after launch
