Wonderful - thank you Ilya

By my count, that makes it unanimous.

We have received proof of formation from Andy Updegrove about the Foundation as well - GSF has been legally formed

Process to launch should begin in the next couple hours - if you have any final objections, now is your chance

In the past a live date for the Canton Network of Tuesday, June 25 has been proposed. May I call for a vote making June 25, 2024 the official live date for the Canton Network.
